

# Ogun State College Of Health Technology, Ilese- Ijebu.

# Admission Guidelines

**2016/2017 Academic Session**

## **GENERAL INFORMATION**

The Ogun State College of Health Technology, Ilese-Ijebu was established in September, 1976 to train middle—level manpower for the delivery of Health Care Services. Thus becoming the first post-secondary educational institution in the State.

In April 2006, the Governor of the State graciously signed the bill establishing the College into law making the College to assume a full Polytechnic status. The College programmes/courses are regulated by National Board for Technical Education (NBTE) and various professional health Boards/Councils which makes our training unique and holistic. The College over the years had graduated top quality middle – level manpower for the delivery of health service in Ogun State particularly and Nigeria as a whole.

The College offers programmes/courses at Certificates, Diploma, National Diplomas (NDs) and Higher National Diploma (HNDs) levels with emphasis on primary health and other health related areas.

You are welcome to a new world of excellence in the promotion of holistic Health.

**N.B.:** *The College has a zero-tolerance policy for examination malpractice, cultism and any unfounded behaviors. Culprits will be punished in line with the College Regulations.*
